Dear Commissioner Forese,

APS couldn't stress enough the importance of my going Solar, and now it seems the solar customers are being hounded because we do have solar.

Of course they are motivated by money, but it seems rotten that they hound us for doing what they proposed...going so,ar.

Sincerely,

Marlene Jacques

Dear Commissioner Forese,

Gentlemen / Ladies,

You have been elected to protect the residents of Arizona from unfair fees and taxes levied on us by companies such as APS. Please keep this in mind when deliberating on unnecessary (unwarranted, unjust) solar fees. No decision should be made until APS submits for it's 2016 Rate Hearing Case. At that time it will be appropriate for ACC to consider if, in fact, any changes to the current solar fee is necessary.

This bits and pieces approach to taxing solar customers is unfair and without basis.

I respectfully request that the commissioners postpone any solar based decisions until the 2016 rate hearing.

Please remember you have been elected by the people as our voice of reason and protection.

Dear Commissioner Forese,

We purchased solar to do our part to save the environment. This was an investment and planned to help keep our fragile retirement income from being eroded away with inflation costs. It is not fair to scheme up ways to add changes to customers who proactively tapped in on our natural resources like the sun. What right do you have to tax the sun's resources in an attempt to dig into our pockets? Do not add these drummed up charges to honest customers trying to do the right thing for the environment. That would be an absolute dishonest crime!

Sincerely,

Gerald Dahl-James
